# EBERSPAECHER CERTIFIED\* TECHNICIAN TRAINING

**October 26<sup>th</sup>**, Mississauga Ontario, **ATC** and **Eberspaecher** offer Certification training

**New HYDRONIC S3 D5E**, the new value leader from **Eberspaecher** in engine coolant heating for 12 volt Medium to HD trucks and off road equipment. This course features a section on **Eberspaecher's** new EASY SCAN, CANbus compatible, diagnostic tool that is required to service, repair or warranty the new HYDRONIC S3 D5E and all future heaters.

This **Eberspaecher** prepared course will be presented by **Eberspaecher** Training Manager, George Lenus and will include hands on familiarization with the new heater, installation, service, trouble shooting, diagnostics and repair procedures. Certificates to be supplied 1-2 weeks after completion of the course.

**Location:** - ATC Mississauga - 1025 Mid-Way Boulevard, Mississauga
